

ittendant

Ittendant service by AlltecPro brings you unmatched intercom to telephone service!

Now with the service you can get the optional **Hello** indoor video Intercom panel.

You can use the Hello panel in conjunction with Ittendant service and the native entry intercom app. Now there are more ways for you to greet your visitor!

Hello panel is easy to install, just connect to your Wifi and go!

Hello panel is designed to work in conjunction with Ittendant to telephone service. The cost for service is included with ittendant. You only pay for the panel at an incredibly low price!
